

2026 Ladies Golf Season

The Nifty Niners

We are a golfing group of women of all skill levels. We play nine holes of golf each Tuesday morning and offer a fun experience on the course and lasting friendships. Our season begins in late May with the opening of the Grand Lake Golf Course. We play an informal "Show & Go" game until the regular season begins and then play on a sign-up basis.

If you would like to join us, please fill out the bottom of the page. Your payment covers Nifty Niners dues (\$25.00) which covers prize money and other expenses.

Make your check payable to "The Nifty Niners". Mail your check (or drop it off at the REMAX office) by May 20th to:
